Tena koutou katoa nga matua me nga kaitiaki o nga tamariki o tenei kura

With the first month of Term 1 completed we can look back on a fine start to 2018 with a great focus on class-work and learning. As you are well aware we have completed a large programme of testing and evaluation in the areas of Reading, Writing and Mathematics ('the three Rs'). This gives us the baseline or starting off levels for every child in the Kura.

From this good quality information we can set school-wide targets to steadily improve the learning and achievements for our children. We will share more of these with you as the term unfolds and hopefully get you on-board with our drive to improve.

Uniform:

We have a good uniform and the children look smart and proud of their school when it is worn well. Well done to the whanau who make sure the children are well dressed each day. I will contact parents of children who are not in uniform to see how we can assist.

Bike Helmets:

We are required to ensure all children who bring bikes to school have, and are, correctly wearing a safety helmet. Nearly all our children do, but from the end of this week I will be asking any non-helmet riders to not bring their bikes. Safety first!

Richard Schumacher
Acting Principal
